The Editor’s Word

By Sven Colic

Another semester is soon to end! As we breathe a sigh of relief, we look back on the semester with bitter sweet remiss, but mostly sweet with all the events we had. If you missed out or want to reminisce, check out the articles and photos for the highlights. Finally, make sure you attend our last event, BOTL 4! It promises to be a blast and a chance to unwind before exams and handing in those final weighty assignments. So until next time folks!

IGNITE Ball 2011

By Timothy Ey, Head Ball Coordinator

O. M. G. That's how I would describe the Ignite Ball that just happened.

It was an amazing (Oriental themed) night, with Human Statues at the entrance, Cherry Blossom trees and a huge Terracotta Warrior. We had 489 people in attendance, and everyone looked very handsome in their pretty dresses and smart suits. Photos are up now (go to www.timeexposure.com and search for photographer Naureen Taylor in the 'Find Photographer' link on the right side, and follow the links, password is 10092011), so you can order prints through their website.

If you missed out this year, there’s always next year, so start getting psyched now. For all those who attended, we’ll see you again!

Final Beers on the Lawn

By Hannah Edwards, Secretary

As the semester comes to an end, we are preparing for our favourite Beers on the Lawn of the year. BOTL 4 is always the biggest and the best! As it is our last event of the year, we will have a few little surprises in store to make the event more interesting. Come down to the usual place, Upper Henderson Court, between 2 and 6pm. Take advantage of ridiculously cheap beer one more time before crunch time comes and we enter delirious, sleep-deprived student mode. Not to be missed!

Networking Forum

By Beverly Miller, Sponsorship Coordinator

Held in the new Engineering Pavilion on the 23rd August, our inaugural dedicated second semester Networking Forum allowed students in engineering and science to meet with attending companies. These included our sponsors and many
more. The night gave students the opportunity to sit down with HR representatives, graduates and senior engineers to create personal and professional networks. Students found out more about the company culture, graduates’ initial experiences in the industry and tips on applications whilst enjoying free pizza, popcorn and soft-drinks. It was a fantastic night with new contacts made and vacation employment gained, making it a must-attend event for next year!

**CEC’s Geek Quiz Night**

By Peter Cash, Events Team

On Thursday 18th August, the Curtin Engineers Club hosted our annual club quiz night. Students had to brush up on their Pokémon and L33T nerdy general knowledge skillz if they were to have any chance of Geek Glory. Turnout was impressive, with students from across the academic spectrum, from Arts to the Curtin Motorsport Team vying for a piece of the action. We were very fortunate to have the flamboyant and renowned Chris Coman as Quizmaster. He kept the night extremely entertaining and com(an)ical as expected. The CEC would like to thank all those who helped this event become an enormous success, either as markers, organisers, prize-buyers or as Quizmaster! And of course, yours truly, a faithful Marker of the Quiz. If you missed out this year, be sure to attend next year’s Quiz Night and get your geek (most definitely) on!

**Thanks to our Sponsors!**

---

**Annual General Meeting**

By Daniel Sargent, El Presidente

It’s time to hold our Annual General Meeting again and pass on our current roles and responsibilities to the 2012 CEC committee. The meeting will give a summary of the year as well as a financial report from our Treasurer, Keaton Wheeler. If you are interested in having a role next year within the CEC committee, now is your time to put your hand up and express your interest! We have the following roles available: **Office Bearers** – President, Vice President, Treasurer, Secretary **Representatives and Coordinators** – Sponsorship Coordinator, Events Coordinator, Publications Coordinator, Sport Coordinator, First Year Coordinator, Curtin College Coordinator, Photographer. If you have a passion for any of the listed roles or would just like to help out at events and get more involved with your club then come on down to the Shilbury Lecture Theatre (next to the Basement Cafe) at 12pm this Wednesday the 21st of September. See you then!
